Middlesex University

Middlesex is a world-class centre for education, research and skills-based learning with a 130 year heritage. We offer a wide range of courses, taught by academics who are researchers or practitioners in their field and share their real-life experience with their students.

Our state-of-the-art campus in Hendon, north London, is one of the biggest in the capital and means our students have everything they need in one place – including 24/7 support.

Our students come from all corners of the globe; a third from outside the UK – as do many of our academics. This creates a diverse learning environment that gives you the international perspective you need to compete in the global job market.

Our degrees focus on employability and encourage work placements, which is why we've been ranked among the top UK universities for graduate salaries, meaning you'll be well placed to succeed in an increasingly competitive job market.
